Re: Finance Docket No. 33556 - Petition for Review

Dear Mr. Williams:

This firm represents Grand Trunk Western Railroad ("GTW" or "the Carrier") in connection with a Petition for Review of a New York Dock arbitration award filed on or about May 4, 2005 by Larry G. Thornton on behalf of two employees, T.W. Black and T.K. Sorge. GTW will be filing a formal reply to this Petition for Review in the near future. In the meantime, I am writing to request that one of the exhibits attached to the Petition for Review, which contains Social Security numbers of several employees, be removed from the public record in this case, and that a redacted version of this document be substituted in its place. The document in question is identified as Attachment C to the Petition for Review, and is a Carmen Extra Board with an effective date of October 17, 1995. In addition to the names and telephone numbers of employees, this Extra Board list includes employee Social Security numbers. These Social Security numbers have no relevance to any issue involved in the Petition for Review, and the Carrier is concerned that this confidential employee information could be used for improper purposes if it remains in the public domain. Accordingly, GTW respectfully requests that all employee Social Security numbers on Attachment C to the Petition for Review be redacted.
